General information and terms

Payment must accompany your order. Overseas exhibitors must pay in pounds sterling drawn on a UK bank. Scanners must be picked up and returned at the show. All Scanners not returned within one hour of the show closing (last day) will be considered not returned. No refund on advance orders will be given. Please make sure you download your Scanner each day. A charge of £300 will be made for any Scanner not returned or returned damaged (recording devices should be detailed on stand insurance). Melville Data Services can only supply as must information as supplied by the visitor on their registration card. We cannot guarantee that visitors will supply full data. Melville Data Services cannot be held responsible for data lost in the unlikely event of hardware failure, corruption or viral infection.

Data captured may be used for analytical purposes by either Melville Data Services or the organiser for this event.
